Donate for free to **cause name here**

Do you ever shop online? If you do this via shopdonation.co.za/projectname, you can donate for free to our cause without having to pay anything extra!

Most major webshops have joined such as Loot, CottonOn & NetFlorist. You ultimately still buy the product at the webshop itself, but because you get to the webshop **via our page** you'll give a free donation to our cause.

How does this work?

You can do this by choosing "**cause name here**" at shopdonation.co.za or by shopping via shopdonation.co.za/projectname. With every purchase you donate automatically and free of charge to our cause!
